booked in
will be subject
to gate fees

Entries by
June 30th 2010

mvt.org.uk code of conduct & croftcircuit.co.uk rules applies

Vehicle Entry Form

The Durham Tees Valley Area of the Military Vehicle Trust in conjunction with Croft Race Circuit, invite you to the 1st Nostalgia Weekend to be held at the Circuit, 7/8th August 2010. Our chosen charity is 'HELP for HEROES'

There will be military vehicles and equipment of all eras, classic car racing and static displays set in the backdrop of a WW2 airfield that was home to the RCAF, flying Halifax, Wellington and Lancaster bombers.

MVT members and other military vehicle groups are welcome including German vehicles, but **no German uniforms**. Unfortunately due to the fact that areas within the circuit are classified as a 'War Grave' and there is a memorial within the grounds, the decision has been made that it would be inappropriate to have German uniformed re-enactors at the event, this decision was not taken lightly and it is hoped that all those involved will understand and abide by the decision.

Free entry for all personnel will be by submitting the form below; otherwise gate entry price will apply. Due to the fact that the circuit will be holding a 'Classic Car Race' event over both days, Croft Circuit Rules apply and dictate that **NO ANIMALS ARE ALLOWED**. The MVT Code of Conduct also applies.

Entry to site: - 10pm at latest on Friday, 6pm latest on Saturday, otherwise before 10am each morning.

Please complete and return this form by June 30th at the latest, **with a stamped addressed envelope** in order to allocate the display area, to :-

Mike Scorer, Croft Engineering, Croft Race Circuit, Dalton on Tees, North Yorkshire, DL2 2PL
